

75TH Anniversary Tour Battle of Crete

13th May – 25th May 2016

Touchdown Tours invites you to join us on this historical tour, as we participate in the commemoration of the 75th Anniversary of the Battle of Crete – the battle which changed the course of the Second World War.

This may well be the last commemorative tour of this significant event, as many veterans have now passed, and we are reliant on the next generation to respectfully uphold their memory of the event of May, 1941.

Full details, please contact :
